Thank you for your interest in employment at Xtreme Adventures Family Fun Center. We are always looking for qualified, responsible, mature, fun and energetic people. We have listed a few of the things you would be expected to meet if you decided to continue with the application process. Please read the following carefully and sign when finished.

Is this the job for you?

Honesty

This should go without saying in any job, but we list it first because it is our number one requirement in dealing with Guests, other employees and the company. This is our #1 priority on reference checks. Honesty in our business means accurate cash handling, proper use of equipment and inventory controls. This also means that your friends and family do not receive free food, tokens or attractions, just as you would not expect free gas from a friend that works at a gas station.

Appearance

All employees are required to wear the proper uniform. This includes the shirt which we provide (the first two shirts are provided) and the proper **black shoes**, socks, and **Black pants** that you will provide. Employees are not allowed to have extreme hairstyles or colors and/or tattoos or body piercings.

Drugs & Alcohol

Every crew member has daily contact with our guests. We feel that the use of drugs or alcohol is not conducive to good employer/ crew member or crew member/guest relations. If you have a specific question about the drug policy, ask a manager. Coming to work under the influence of drugs or alcohol, or the use of drugs or alcohol in any manner while on duty is strictly forbidden and will result in immediate termination.

Schedule

We expect you to work the days you are scheduled and to be on time. Tardiness and absenteeism will not be tolerated. Due to the nature of our business you should expect to work on the weekends, evenings and holidays.

Summary

Every Xtreme Adventure Employee has daily contact with Guests. Good people skills and courtesy at all times are required. If you enjoy dealing with people, this is the job for you. These guidelines are not complete and will be covered in detail if you continue in the hiring process. If you feel comfortable working under these guidelines, please continue with the application process. If we can use your services, you will be contacted for an interview.
